

This document certifies that

Marley Sexton

has completed the module

Embedding Sustainable Procurement

with a score of **86.66 %** on **January 23, 2024**

A screenshot of a web browser showing the "Home | Supply Chain Sustainability SCHOL" page. The URL https://staging.supplychainschool.co.uk is visible in the address bar. The page features a dark blue header with the SCHOL logo and navigation links for Home, About, User, Markets, Topics, Partners, and Contact. Below the header, there's a banner with the text "World Class, Collaborative Learning" and "The School is a collaboration between clients, contractors and first tier suppliers who want to build the skills of their supply chains." A search bar is present, along with sections for "OUR BUSINESS", "SEARCH NOW!", and "RESOURCES FOR YOU". The footer contains sections for "Our members love learning", "We Share", "We Deliver", and "We Inspire".
